Educational Project: Elementary Sunshine Academy

2019-2022

Lester B. Pearson School Board

MISSION

At Sunshine Academy, it is our mission to;

- deepen and differentiate learning to engage all students
- promote respect of oneself, others, the school, the environment and the digital world.
- help students discover their unique identity and accept others' individuality.
- develop healthy and active lifestyle habits.
- cultivate a sense of belonging and partnership between students, staff, parents and community members.
- educate and develop the whole child within a bilingual environment and foster lifelong learning.

VISION

At Sunshine Academy we strive to create a positive school climate in which every student feels respected and safe. Engaging all students to achieve success and enjoy learning is paramount in our school. Within our teaching, we inspire students to connect, collaborate and develop their critical thinking and problem-solving abilities. We foster creative expression, character development and digital citizenship across the curriculum in order to equip students with skills for the 21st century. Partnerships with parents and the community are an integral component at Sunshine as we are all stakeholders in their educational journey.

SCHOOL PROFILE

Sunshine Academy opened its doors on July 1st, 2006 as a result of a merger between Charles A. Kirkland School (Roxboro) and St. Bernard School (Dollard des Ormeaux). Our students come from Roxboro, Pierrefonds and Dollard des Ormeaux. We are a diverse community school which offers an early immersion program enriched with languages, math, science et technologie, creative movement and physical education. We take pride in our caring staff and active parent volunteers. At Sunshine we encourage all stakeholders (parents, students, staff and community members) to work together to ensure a positive learning experience for every child.
